

1987

This year, the school continued to grow and flourish. The new set of classrooms along the top were completed, largely thanks to school dad, Henk Dam. These classrooms were the new homerooms for the Years 8/9 and 9/10 classes.

The year was full of activity and innovations:

- ◆ Mrs. Deidre Taylor and Mrs. Tess Berthelsen pioneered the WOW (Write on Writers) and English Literature programs.
- ◆ Mr. Callow and his students decided to participate in the local 'Great Train Race' instead of the Sun Run.
- ◆ The Year 9/10s went on Melbourne Camp, the Year 8/9s travelled by train to their camp at the Grampians, the Year 5/6/7 class camped at CYC Cowes at Philip Island, and the Year 4/5 students panned for gold on their camp at Sovereign Hill.
- ◆ Canadian Calvin Seerveld visited the area in June, inspiring teachers in their quest to teach from a biblical perspective.
- ◆ Mr. Edge (Mr. Collier's father-in-law) and his Year 6 students, travelled from Geelong Christian School to camp at MDCS and visit the surrounding areas. Geelong Christian School, now called Covenant College, is also celebrating their thirtieth birthday in 2009.
- ◆ The Year 9/10 students spent a week in various businesses/organizations during their week of Work Experience.

The year concluded with a fantastic primary school production of 'The Piperman' directed by Mrs. Cheryl Meyer. All
